SUMMARY

I am a driven and resourceful professional with a strong educational background in technical fields and expertise in various design software. I thrive in challenging environments that foster innovation and creativity. My goal is to deliver impactful contributions to projects while continuously expanding my skills and knowledge. With a commitment to excellence, problem-solving, and adaptability, I aim to add value to every endeavor and grow as a dynamic professional.

EDUCATION

SSC
Sri chaitnya techno school
📅 07/2019 - 05/2020

Diploma
Sri durga devi polytechnic college
📅 06/2020 - 12/2022

INTERNSHIP & EXPERIENCE

Intern
GAYATHRE FABRICATORS
📅 05/2022 - 06/2022　📍 Tiruvottiyur

Internship
TRIO TECH PVT.LTD
📅 06/2024 - 07/2024　📍 Ashok nagar

STRENGTHS

- Problem-Solving Skills
- Leadership
- Analytical Thinking
- Team Collaboration
- Attention to Detail
- Good Logical Reasoning

PROJECTS

PNEUMATIC GLASS CUTTER

Short summery :
- A pneumatic glass cutter is a tool powered by compressed air, used to cut glass with precision and ease. It offers better control, speed, and efficiency compared to manual cutters.

FACE FORTIFY

Short summery :
- "Face Fortify" is a scalable web-based platform using AI/ML-powered deepfake detection APIs for real-time analysis of uploaded videos or URLs, offering a user-friendly, secure solution to combat misinformation and enhance trust in digital content.

KEY ACHIEVEMENTS

- **Team Leadership**
  Led a team of 5 and completed 2 projects.

- **Design Accuracy**
  Achieved 95% accuracy in 15 design projects.

- **Efficiency Improvement**
  Increased design efficiency by 25% in 6 months.

- **Academic Excellence**
  Completed diploma in Mechanical with 90%, also in parallel completed Master Diploma in CAD with 6 projects.
